PROFESSIONAL EXPERIENCE

Mathnasium – Midlothian, VA

August 2024 – August 2025

Team Captain, Instructor

- Tutored up to four students per hour of ages 5 to 18 in all different kinds of math.
- Led and helped direct our instructing team and made sure to keep up the correct ratio of students to instructors.
- Kept instructors up-to-date on any upcoming changes or events and helped train new instructors and team captains.
- Solved problems with students and learned how to work with certain students better, depending on their learning styles and any struggles/ lack of motivation they may have.

Walgreens – Midlothian, VA

December 2025 – January 2026

Customer Service Associate - Temporary

- Stocked shelves, worked register, assisted customers around the store, worked in photo, filled pickup/shipping orders

PROJECTS

Asset Hackathon - Predictive Modeling System, 1st Place Winner

April 2026

- Built a custom interface model using Gaussian Process Regression to predict missing value in incomplete datasets.
- Designed a system to generalize from existing data and improve prediction accuracy on sparse inputs.
- Collaborated in a team environment to develop and present a working solution within a limited timeframe.

SKILLS

Programming Languages: Java, Python (Intermediate)

Languages: English, Spanish (Intermediate)

Certifications: Python Basics: Selection and Iteration, Virginia Space Coast Scholars

CLASSROOM EXPERIENCE

GitHub Website, Computing in the Modern World, Creator

Fall 2025

- Created a website through GitHub with HTML and CSS code: siennarosenberg.github.io

LEADERSHIP EXPERIENCE

Earth Club - President

August 2023 – May 2025

- Planned meetings, discussed future opportunities, developed meeting ideas, and found ways to help the environment.

VOLUNTEERING EXPERIENCE

Chesterfield Food Bank

December 2023 – Present

- Volunteer often at the food bank (runs on a monthly basis) where I do several tasks, including loading carts with food, distributing food, keeping track of the amount left of each food item, loading cars with food, etc.
- Have had several opportunities to speak in Spanish with families getting food.

Richmond Society for the Prevention of Cruelty to Animals

March 2023 – Present

- Volunteer for the Richmond SPCA, a society with the goal of promoting the health and happiness of animals.
- Handle a variety of tasks, maintain cleanliness and organization within the shelter environment.
