EXPERIENCE

Team Captain and Instructor August 2024 – August 2025
Mathnasium *Midlothian, VA*

- Tutored up to four students per hour across ages 5 to 18 in a range of math subjects, adapting to individual learning styles and challenges.
- Led the instructing team, maintained correct student-to-instructor ratios, and ensured smooth daily operations.
- Trained new instructors and team captains, and kept staff informed of upcoming changes and events.

Customer Service Associate (Temporary) December 2025 – January 2026
Walgreens *Midlothian, VA*

- Stocked shelves, operated the register, fulfilled pickup and shipping orders, and assisted customers throughout the store including the photo department.

Team Member May 2026 – August 2026
Frutta Bowls *Midlothian, VA*

- Took and fulfilled customer orders, maintained store tidiness, performed opening and closing procedures, and collaborated with team members during service.

PROJECTS

Predictive Modeling System April 2026
1st Place Winner, Asset Hackathon

- Built a custom interface model using Gaussian Process Regression to predict missing values in incomplete datasets.
- Designed a system to generalize from existing data and improve prediction accuracy on sparse inputs.
- Collaborated with a team to develop and present a working solution within a limited timeframe.

Personal Portfolio Website siennarosenberg.github.io Fall 2025
Creator, Computing in the Modern World

- Built a personal website using HTML and CSS, hosted on GitHub Pages at siennarosenberg.github.io.
